Holy Family Prayer:

Dear Jesus, we pray with you to the Heavenly Father for all the men, women and children of the world, those who live with their families and those who do not. Make us kind and generous to one another and protect us with your loving care. Mary our Mother and good St. Joseph, keep us close to Jesus so that we too will be a Holy Family.

"...where two or three are gathered in my name, there am I in the midst of them."

(St Matthew
